S. RAMACHANDRA RAO, *Asst. Engr.*

MYSORE SUB-DIVISION.

Notification No. RS. Mis. 83—52-53, dated 31st October 1952.
(P.W. No. 48—51-52, dated the 18th October 1952).

It is hereby notified for public information that the undermentioned Aswalu village which has been duly attached in satisfaction of the arrears of revenue due to Government as shown in the subjoined statement by the said village will be sold by public auction at the places and on the dates mentioned in the annexed statement. The sale will commence at 11 A.M. on the 20th December 1952, and the village will be knocked down to the highest bidder without reserve.

2. Provided that when a village is divided into separate recognised vrittis, the Deputy Commissioner may, at his option, instead of selling the village as a whole sell each vritti separately.

3. The purchaser will be required to deposit 25 per cent of the purchase money at the time of sale, and where the balance of the purchase money may not be paid within 15 days from the day of sale, the money so deposited shall be liable to forfeiture.

4. When such deposit shall not be made, nor the remaining purchase money paid up, the lands shall be resold at the expense and risk of the first purchaser.

5. Persons bidding at the sale may be required to state whether they bid on their own account or as agents, and in the latter case to deposit a written authority signed by their principals, otherwise their bids may be rejected.

6. The sale shall be stayed if the defaulter or any other person acting on his behalf or claiming an interest in the land tenders the full amount of the arrears of revenue with the interest and other charges provided such tender be made before the property is knocked down.

7. The sale of the property will not become absolute until the sale has been confirmed by the Deputy Commissioner or other authority duly authorised to confirm the sale.

8. Purchasers having completed the payment of the purchase money will, as soon as the sale has been confirmed by the Deputy Commissioner, be placed in immediate possession, and the village will be registered in the name of the purchaser, and a certificate of sale signed and sealed by the Deputy Commissioner will be granted to him. It is to be distinctly understood that the Government are not responsible for errors of description and in estimated extent.

9. Provided that parties deeming themselves aggrieved by the sale shall be at liberty to appeal to the Deputy Commissioner within 30 days from the day of sale, and also to appeal to higher authority against his order within the time prescribed by law and the purchase shall be conditional on the final order in such appeal.

M. SYED MURSHED PEER, *S.D.O.*

OFFICE OF THE ASSISTANT ENGINEER, RIVER CHANNELS IMPROVEMENT SUB-DIVISION, HUNSUR.

Notification dated 14th November 1952.

Under Sections 25 and 26 of the Mysore Irrigation Act as amended by Act VII of 1952, it is hereby notified for the information of all the atchkatdars (of 7,000 acres approximately) owning lands under Hanagode Series of Channels in Hunsur and Heggadadevanakote Taluks namely, lands fed by the Hanagode, Uddur, Nallur, and Hanumanthapur Channels, Tarikal and Dasanpur Nala and Meggalve Channels, as well as tanks under Paduvakote series, Kutwadi Series, and Karigala Series that it is proposed to construct a new tank across Kenchanakere halla of 548 units capacity in Hunsur Taluk at an estimated cost of Rs. 10·50 lakhs in order to improve and assure better water supply to the atchkat lands during the months of November and December every year when the supply from the Lakshmanathirtha River falls very much below the minimum requirements. Government have directed in their letter No. P. W. 3164 dated 10th July 1952 (Public Works Secretary) that an equiry be held under Sections 25, 26 and 27 of the Irrigation Act and an enchanced water rate of Rs. 10 per acre may be fixed on all the lands that are benefited by the above project in view of the assured supply of water during November and December. The area benefited both directly and indirectly by the

construction of the above Tank will be about 7,000 acres as detailed below.
